Conscious Living

Accepting Yourself as You Are: You are Already a Masterpiece

"You are carrying a masterpiece hidden within you, but you are standing in the way. Just move aside, then the masterpiece will be revealed. Everyone is a masterpiece, because God never gives birth to anything less than that.

Everyone carries that masterpiece hidden for many lives, not knowing who they are. Often, they keep trying to become someone. Drop the idea of becoming someone, because you are already a masterpiece." ~ Osho

Alan Watts on Life

"Life is like music for its own sake. We are living in an eternal now, and when we listen to music we are not listening to the past, we are not listening to the future, we are listening to an expanded present."

~ Alan Watts

Osho has said over and over again that he has no biography since he, like many others, emphasized the value of the present moment.
